The 1946 OWL

OUR ALBUM OF FAMILIAR MUSIC

J. Rorse

Our Keynote

IT'S BEEN a long, long time since our director stepped upon the bandstand last summer and raised the baton that set in motion the production of this thirty-third volume of THE OWL.

Here is your "Album of Familiar Music" as chosen by you for this school year. As you search this yearbook for pictures of yourself and your friends, you will find the songs of your hit parade to be rather on the sentimental side. "Stardust" ranked first with you Juniors and Seniors and second with the underclassmen, thereby becoming the all-school favorite. The number two song, "Till the End of Time", was first with the Freshmen and Sophomores. After considering all the songs featured in the yearbook, you will agree with us that their slow rhythm typifies the emotions of us in Parish High. "Loyal and True", our school song is so much a part of us that naturally it received much attention in our theme.

This is our masterpiece. Although it is far from perfection, we feel that we have accomplished much with your help. Not only were the songs featured in the theme chosen by you, but the color of the cover itself is your choice. Bearing these comments in mind—come with us on another "Sentimental Journey" . . .

COLE'S *Deluxe Edition*

"Should auld acquaintance be forgot
And never be brought to mind;
Should we in Paris High forget
The days of Auld Lang Syne?"

AULD LANG SYNE

IN THE above paraphrased lines lies the reason for editing this yearbook. We have striven solely to give you the best book ever, an imperishable record that will become more cherished by you with each passing year.

We have chosen for the theme "Our Album of Familiar Music" as selected by the student body, believing that it would reflect the true spirit of our school as we turned from the dark uncertain years of war. We felt that with the return of peace the students desired a theme of a lighter vein. Endeavoring to capture and forever hold this spirit, we present the ten favorite songs of the students themselves. Although all songs ranked high, our all-school favorite, "Stardust," was so unanimous that we felt it must be used frequently to best portray every phase of our school's activities.

If sometime in future years when you are thumbing through the dusty pages of this the thirty-third volume of THE OWL, you recall to any extent your high school days, the many good times you had, and the happiness you shared, then our work and hopes will have been justified.

"Not what we gain,
But what we give
Measures the worth
Of the lives we live."

Mr. J. B. Harvill
President

BY THIS code live the men who serve on our school board. Although each of them is engaged in business, he gives of his time and his services willingly and without compensation.

Under the capable leadership of the newly elected president, Mr. J. B. Harvill, these men see to it that the future welfare of the student body is not forgotten when the present looms so large. For the excellent performance of this and their other specific duties, the members of the school board have earned the admiration and respect of each and every student.

Our Superintendent

"In words, as fashions, the same rule will hold;
Alike fantastic, if too new or old:
Be not the first by whom the new are tried,
Nor yet the last to lay the old aside."

THE ABOVE quotation well exemplifies Mr. Chamness's motto in life. He is a man of vast mental facilities and true integrity. He has always had an unceasing interest in the students of Paris High School. During the fifteen years Mr. Chamness has served as superintendent of Paris Public Schools, he has become a friend as well as an adviser to all with whom he has come in contact.

Mr. Thomas S. Justiss

Our Principal

"Once in a while there's a perfect day,
With the song of the birds and the flowers in May.
Once in a while a dream comes true,
For once in a while there are folks like you."

THESE FOUR lines of poetry aptly express the feelings of the entire student body toward our principal and beloved friend, Mr. Justiss. The song title, "I'll Be Around", could appropriately apply to him since he is never too busy to listen to the cares and troubles of the students. Truly, it is only once in a while that you find such a wonderful person as our "Fesser."

Mr. Raymond Berry

Head Coach

AS A teacher, coach, and friend, Mr. Raymond Berry is known and admired by every student in Paris High.

Since Mr. Berry came to Paris, he has turned out three district winners and established himself as one of the top schoolboy coaches of the state. In 1940 and 1941 he turned out two successive district championship teams and became the only coach ever to accomplish this feat in district 5AA. Again this year Mr. Berry had a district winner.

In the future we are looking for even greater teams, and here's wishing more power to Coach and his Paris Wildcats.

CAPABLE ASSISTANTS to Mr. Berry are Mr. Barnett and Mr. Lively. Mr. Lively is known throughout the state for the fine Paris lines that he has produced. Acting as scout for the Wildcats as well as assistant coach, he has proved indispensable to the Paris team.

Mr. Barnett, when he is not helping Mr. Berry, is busy coaching probably the roughest B team in the state. The B team always has a fine record, and Mr. Barnett is largely responsible for it.

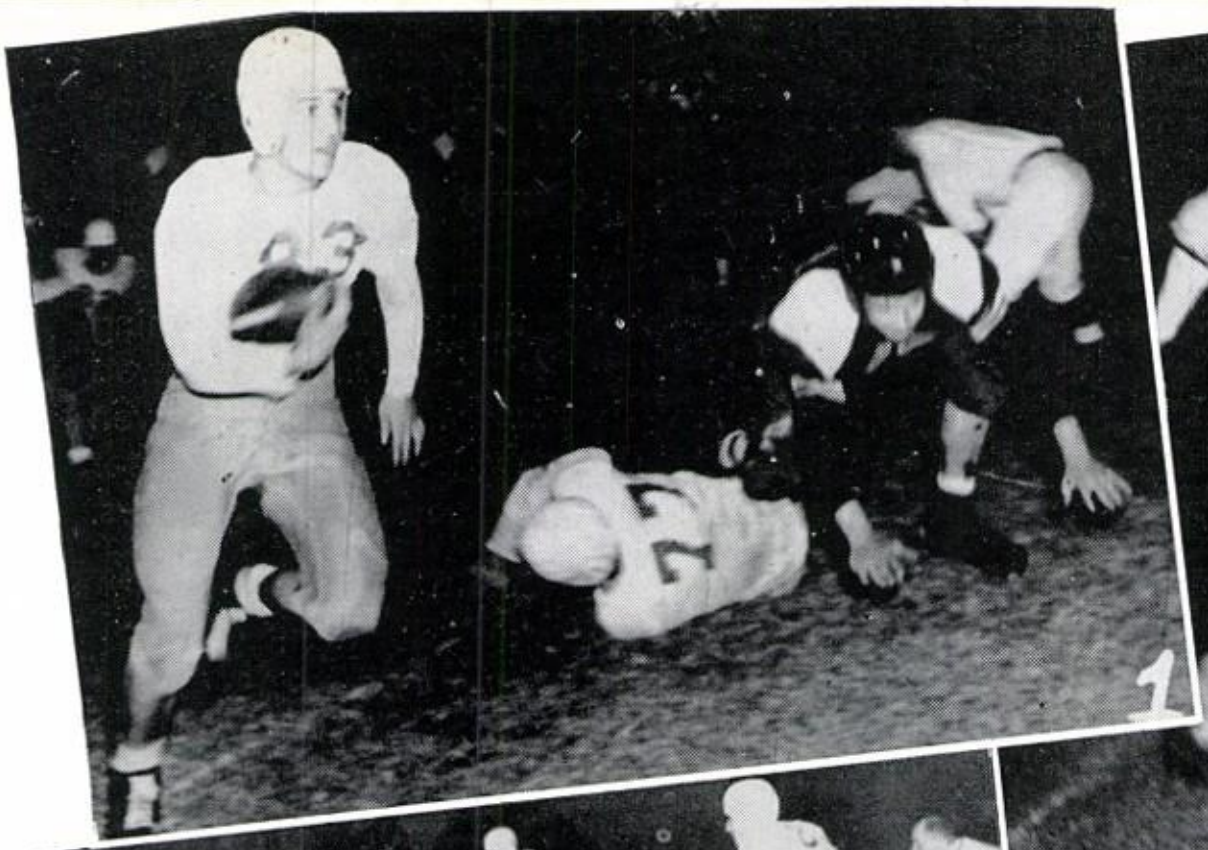
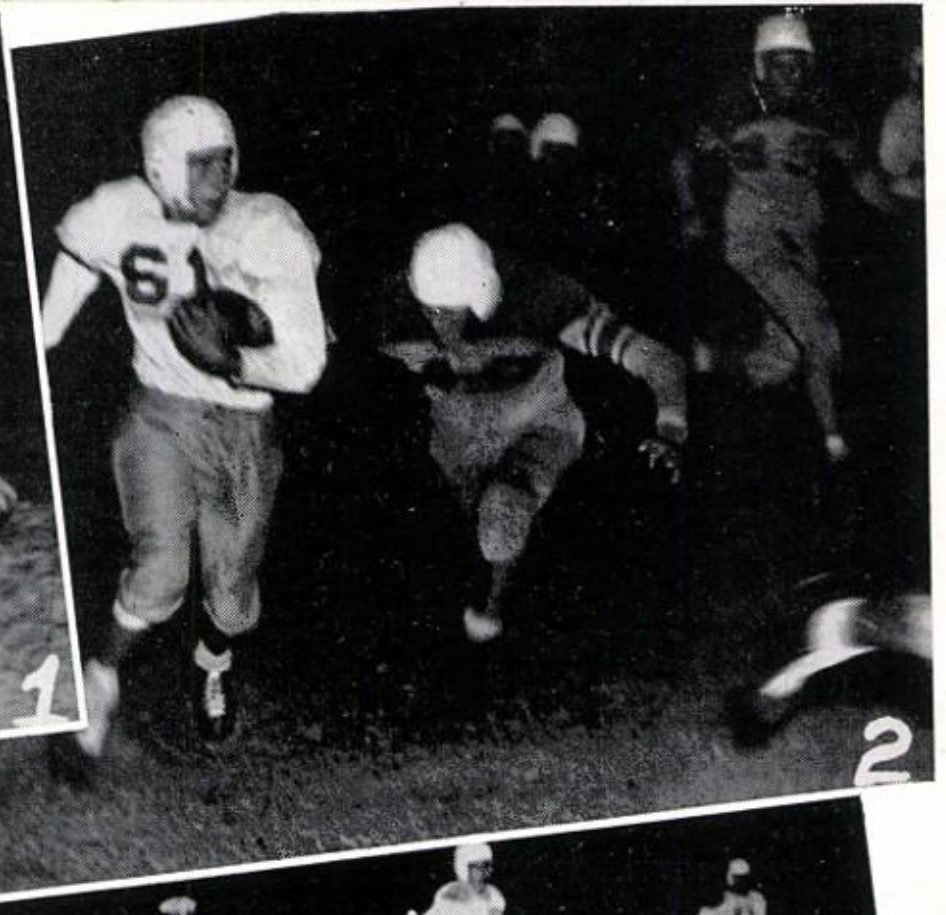
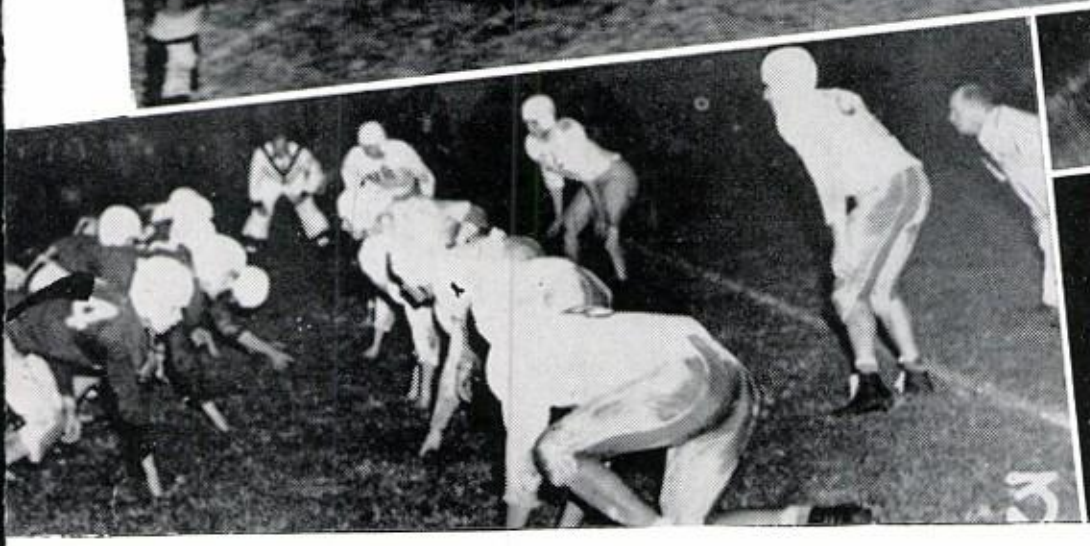
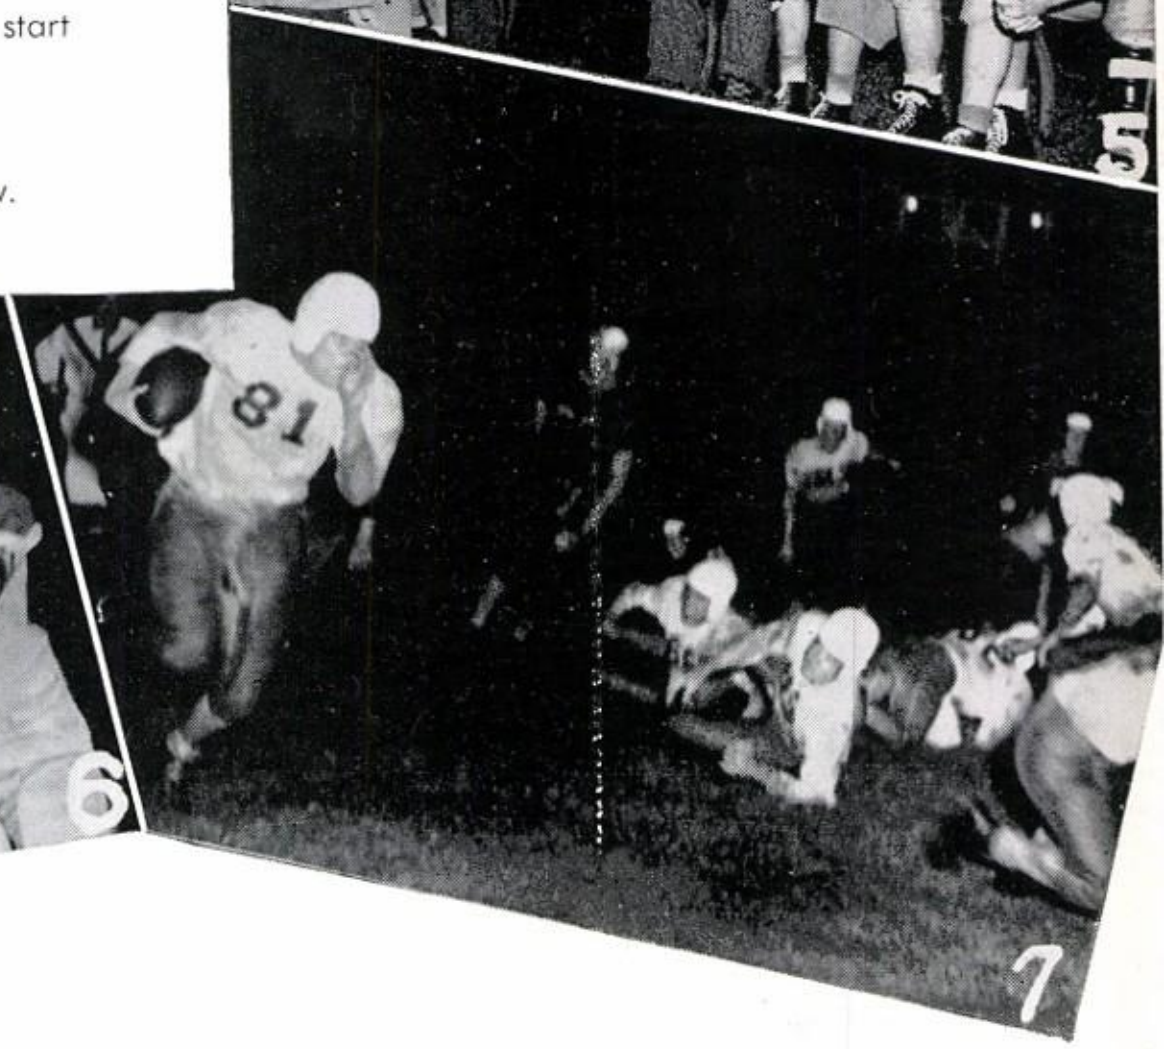
Game Actions

1. Reddell outwits Sherman's Harold Riley.
2. Fagan gains yardage against Kilgore.
3. Wildcats poised for action against Gainesville.
4. "Big Dog" Deryl Stevenson rips the middle against Sulphur Springs.
5. The bench watches the Wildcats get off to a slow start against Denton.
6. Those Kilgore Bulldogs smear Hickey.
7. Hickey gets off for a good gain against Longview.









Cats Scratch Bulldogs 12-0

Floyd Plays Outstanding Game

GETTING OFF to a slow start, the Paris Wildcats opened the season with a 12-0 win over the Kilgore Bulldogs. Featuring the passing and running of Jimmy Hickey and several nice runs by Billy Reddell, the Wildcats showed fine possibilities. The whole Wildcat line played almost flawlessly, but even more outstanding were Bill Floyd and Ernest Stinson, who made tackle after tackle. Hickey plunged for both touchdowns in the first and second quarters.

Paris Runs Roughshod Over Hugo 53-0

Second Team Plays Most of Game

PARIS OPENED their home season with a 53-0 victory over a scrappy Hugo team. Although the reserves played most of the game, the Wildcats showed marked improvement. Little Joe Fagan was outstanding as the reserves took over, and several times he brought the crowd to its feet with long runs. The entire second team played excellently and managed to rack up four touchdowns of their own.

Wildcats Take Longview 6-0

On Muddy Field Wildcats Prove Power

ON A rain-drenched field the Wildcats came through their first real test of the season with a 6-0 win over the Longview Lobos. Hickey scored in the first quarter, and then the game turned into a punting duel. Paris turned in a fine defensive game with Deryl Stevenson stopping a great many of the plays. Rueselle Matney also turned in a top performance with his hard blocks and good defensive play.

Paris K.O.'s Wildcats 21-0

ON A sloppy field, Paris turned back a fighting Sulphur Springs team, 21-0. Once again the Paris line turned in a good game by blocking two punts and stopping the opponents for a net of 50 yards gained by running. The play of our forward wall was paced by Kenneth Watson, who played his best game of the season. The Paris Reserves took over in the last quarter and went across for the final touchdown.

Wildcats Surprise Gainesville 27-6

PARIS, PLAYING the best game of the year, started off conference play with a 27-6 win over the Gainesville Leopards. Jimmy Hickey, Billy Reddell, and Kenneth Watson were the big guns on the Paris offense. Good blocking, led by Richard Margraves, Ernest Stinson, and Loris Stell, was the most important factor in the Paris scores. Gainesville's lone tally came in the second quarter on a nice 56-yard run by a Leopard back.

Paris Kicks Bearcats 60-13

Every Man on Squad Plays

IN THE worst defeat a Paris team has ever handed a Bearcat crew, the Wildcats hit their stride to knock over Sherman, 60-13. Every man on the entire Paris squad participated in the game. Hickey, as usual, played an outstanding game by scoring two touchdowns and passing for three more. George Ellis played his best game of the year, accounting for 12 points, and Joe Fagan and Billy Reddell each marked up two touchdowns.

Paris Tames Broncs 29-0

Despite Slow Start Paris Wins

PLAYING A sluggish first half, the Wildcats came through in the second half to beat the Denton Broncs 29-0. The Paris line again turned in good defensive play, and the Cats managed to pile up 21 first downs to Denton's 1. Jack Humphreys put forth one of his best games by catching quite a few passes and playing a good game at defensive halfback. Rueselle Matney also looked good on defense.

Paris Swats Jackets 26-6

Cats Take Lead in District

THE WILDCATS clicked once more to take the lead in district play with a 26-6 win over the Denison Yellow Jackets. Loris Stell played a "bang up" game for the Cats with his steady blocking and outstanding tackles on defense. Jimmy Hickey, who always turns in a good game on offense, played excellently at line backer. The Denison score came in the final minutes while reserves were in the game.

Wildcats Rout Warriors 39-6

Cats Take Ninth in a Row

SCORING IN every quarter, the Paris Wildcats cinched the district title by beating the Bonham Warriors, 39-6. This time it was Billy Reddell, Jimmy Hickey, W. D. Stevenson, and Joe Fagan who took most of the offensive chores, while the Paris line turned in its same dependable performance. Although it was Paris' game from the start, the Warriors kept fighting and turned in a commendable game.

Lions Bow 12-7

Cats Finish Undefeated Season by Beating Lions

PARIS, BEING slowed down by injuries and illness, got off to a slow start but came back in the last half to defeat the hustling Greenville team. Jim Hickey, Deryl Stevenson, and Bobby Jack Floyd, although each was weakened by illness, played a fine game. Scoring first, the Lions had the Wildcats trailing for the first time this year. Hickey made both of the Paris scores.

Wildcats Overpowered 33-7

Cats Fall Before Highland Park Powerhouse

THE PARIS Wildcats finished their 1945 season with a defeat handed them by a powerful Highland Park team. The Paris team played well, but they seemed no match for the heavier, talented Scots. The Paris line continued its line play with Bobby Jack Floyd, Bill Floyd, and Ernest Stinson playing outstandingly. In the backfield it was the same old story with Jimmy Hickey and Billy Reddell turning in top games. The Paris touchdown came late in the third quarter on a pass from Hickey to Kenneth Watson.

SETTING PROBABLY the most startling record ever to come out of Paris High was the 1945 Paris B Team. They not only won every game on their schedule, but they were scored on only once. Under the leadership of Mr. Barnett, the B Team boys showed great promise for future Wildcat elevens.

Heretofore, the Paris football squad consisted only of three teams, but this year a rugged team was brought together under Coach Felix Gibson. Attempting to keep in step with the B team, the newly organized Hotshots met defeat but once, that being at the hands of Denison, 6 to 0. Through their continual efforts, these boys showed a great deal of improvement and natural ability. Their fine record proves that they will be our future winners.

Although they were rather overshadowed by the exploits of the three other squads, the Super Nubs under Mr. Winifred Heavner worked out, rain or shine, the same as the varsity. These boys deserve much credit for their work, their spirit, and their attitude toward the game.

Season's Review

WE ARE proud of our 1945 Paris High School Wildcats. We are not only proud of their unbeaten record in district play, but also of the game they played against Highland Park in which they were beaten 33-7. The reputation the Wildcats have gained for their fighting spirit was certainly upheld this season. They came through a tough ten-game schedule undefeated and were scored on only six times throughout the regular season. Even when defeated by the powerful Highland Park team, the Wildcats showed plenty of spirit and fight.

The 1945 Cats were a well-balanced, fast team. The '45 line was considered by many as the best ever to come out of Paris High, but this forward wall surely did not outshine the speedy, smooth-working backfield. The record made this year by the Paris team proves to us the stuff out of which our boys are made, and we are sincerely proud of them.

Snaps Identified:

1. That famous touchdown catch by Watson against Highland Park. It surely did us good.
2. Fagan should have been in front of Reddell in this run against Highland Park.
3. The Paris fans were pulling for the Wildcats, but Highland Park's bite was really worse than their bark.
4. The Wildcat bench at the Highland Park game was a rough place to sit.

Our 1946 Hardwood Performers

Season's Resume

TURNING IN the best season a Paris team has had in a long time, the 1945-46 cagers showed plenty of fire, spirit, and ability to "hit the hoop." Paris won their first game, as is traditional with Paris teams, and kept winning to end the season with five wins and five losses. The Wildcats defeated Gainesville once, Denison twice, and Bonham twice, while losing to Gainesville once, Greenville twice, and Sherman twice.

Even though dropping "heart breakers" to both Sherman and Gainesville, the Cats proved that Paris must be feared as much in basketball as in any other sport. Our teams seem to be gaining momentum and possibly will roll to the head of district 5AA. We are looking forward to the 1947 basketball season, and we hope to see the Wildcat cagers take that district 5AA crown in basketball.

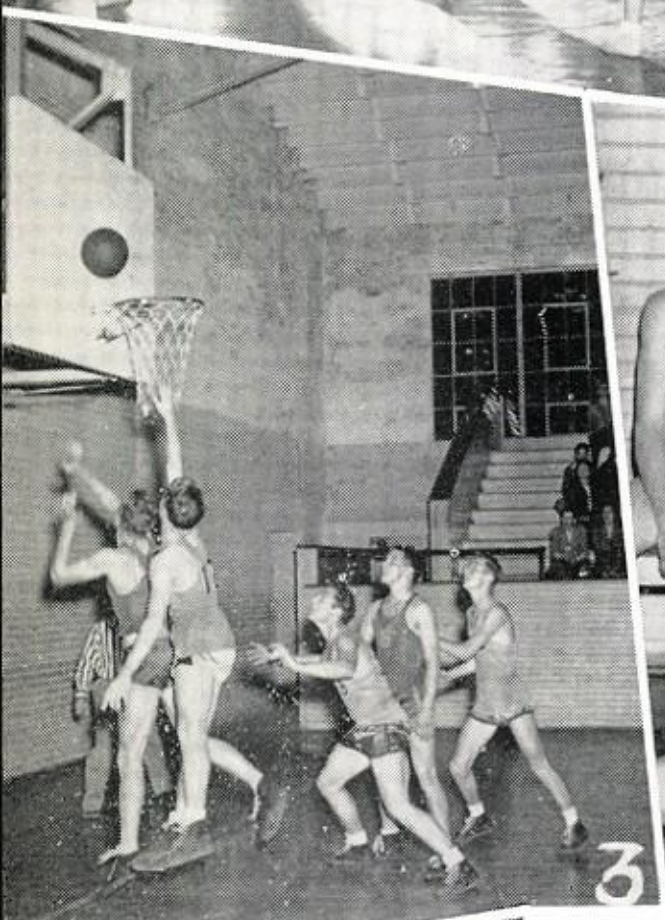
Paris finished third in district play.

It surely was tough to lose to Sherman in the last quarter, 36-35. The basket was very elusive to Paris in that last quarter.



Basketball Actions

1. Some fancy floor work by those sophomores and juniors.
2. Those Sophs—Basketball champs for two successive years.
3. Against Denison, the ball looks as if it might have missed the basket this time.
4. Basketball players not on traveling squad:

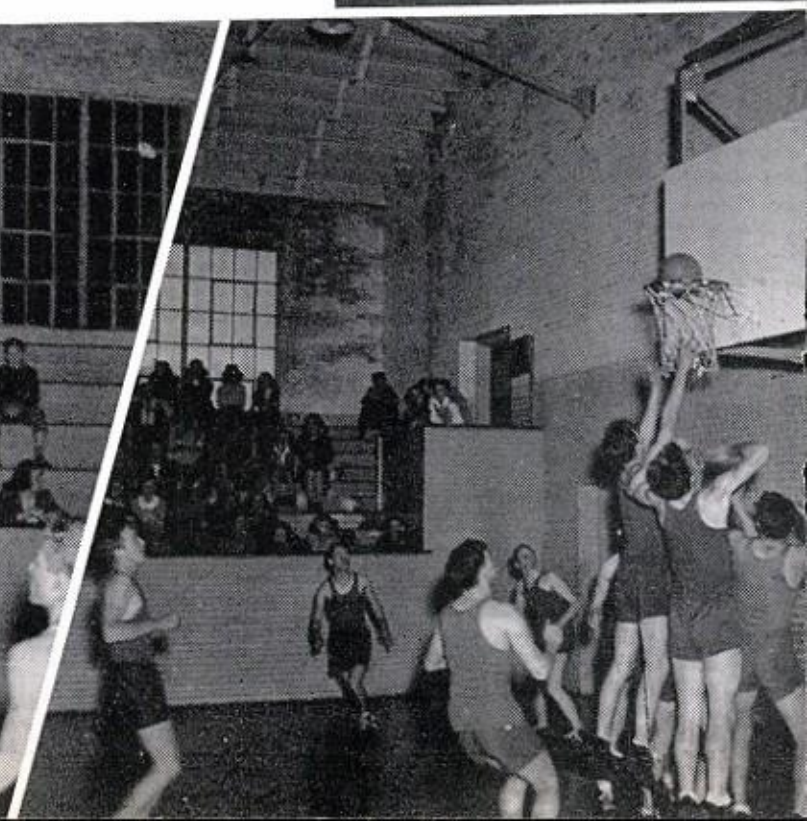
5. The bench at the intra-squad game.
6. Hickey referees for the girls—good jump, girls!
7. We really won that opener from Gainesville.
8. That never-to-be-forgotten Sherman game—Joe was really in on that jump.
9. It looks as if the reserves in that intra-squad game might have hit the basket.



Nifty Netters

THE 1946 Paris Wildcat "netters" showed fine possibilities for the District 11AA Meet held at the Paris Junior College, April 13. Paris, Sulphur Springs, Texarkana, Bonham, and Greenville were represented at the district play-off. Paris was the defending district tennis champion for the seventh consecutive year.

Under Coach Thomas Echols, the Paris team defeated Bonham twice, 6 to 1 and 3 to 1, and also turned in a tie of 2 to 2 with the Sherman team in preparation for the district eliminations.

Since our yearbook must go to press, we cannot record the scores of the District Meet, but we do wish the best of luck to our 1946 tennis team.

We also want to take this opportunity to congratulate Coach Echols and his team on their fine record last year. The Paris team was not beaten until the boys' singles player, John Amis, was defeated in the finals of the Regional Meet. Boys' doubles, Jimmy Hickey and Ben Billingsley, girls' doubles, Frances Hutchings and Norma Lawrence, and girls' singles, Huldah Williams, were all finally beaten in the quarter finals of the State Meet.

Physical Education . . . Diversified Play

ALL FRESHMEN and sophomores in Paris High School receive a well-rounded program in physical education. Miss Francenia Hicks, our very capable physical education instructor, has charge of all girls' athletics. The pictures on this page give us a panorama of the activities in this course.

1. Here we have instruction in archery with Miss Hicks showing rare form with the bow and arrow.
2. Conditioning exercises help to make our girls physically fit.
3. The girls even hit the basket when they exhibit their ability at basketball.
4. It seems also that they hit the target with the bow and arrow.
5. Here we see Rosalie Hope with the basketball and more action on the hardwood.
6. More of those conditioning exercises that are good for all of us.
7. Tennis takes up its allotted time with fun for all.

FOR THE second successive year, softball remained on the list of Paris High athletics. Six teams were organized and participated in a double round-robin. These six teams were piloted by Jack Humphreys, Kenneth Watson, Richard Margraves, Deryl Stevenson, John Robert Woodard, and Bill Floyd.

Winner of the first half of the league was Kenneth Watson's team, which went through undefeated. In the second half, Jack Humphreys' boys, who had not been able to win a game in the first half, came through to win. Humphreys defeated Watson in a final two-out-of-three game play-off and was named champion.

Softball has certainly been taken up enthusiastically by the students of Paris High, and it is due to turn out even better teams in the future. This page lists the results of the 1945 softball season. The 1946 season will of necessity appear in the 1947 yearbook.

The 1946 Owl Combines

Charles Baxter

Editor

IT HAS been fun as well as ceaseless work to compile this 1946 OWL. For us this has been one of the finest years time has yet produced. Along with the return of peace, it brought us the opportunity to edit this book. With the wonderful record of our school's past yearbooks, we have had a great deal to live up to. We sincerely hope that we have fulfilled that goal to the satisfaction of each and every student.

I would like to express for the staff our appreciation to the student body, the faculty, Mr. Chamness, Mr. Justiss, Southwestern Engraving Co., Furey Printing Co., Turner's Studio, American Beauty Cover Co., Ray Sissel of THE PARIS NEWS, and to all others who in any way helped with this book for their unfailing support and interest in our behalf.

And, above all, my deepest gratitude to our sponsor, Miss Martha Hankins, without whose patience, guidance, and hard work this publication would not have been possible.

CHARLES BAXTER,
Editor-in-Chief.

Basic Activities

A RECORD-BREAKING circulation and class picture campaign with 850 copies printed and 801 class pictures out of 1003 enrolled. (Over 125 students moved or dropped out of school, thereby curtailing both results.)

Figuring, cutting, and mounting of all panels for the annual—a three months' job and several hundred dollars' savings.

$1,500 advertising quota successfully reached and surpassed. (This amount necessary if you have this type book at the price you pay.)

Typing of dummy for the printer. (Labor)

BEING BUSINESS manager of THE 1946 OWL has afforded me great pleasure. It gave me the opportunity to work with the nicest, most co-operative people found anywhere—the business and professional men and women of Paris. Without their co-operation THE '46 OWL would not have been. I would like to thank each of them for his help.

Full co-operation was extended by those who helped us with the circulation and advertising. We are fully cognizant of the service rendered and indebted to those Juniors and Seniors other than the staff members who in any way helped with this yearbook.

In arranging the advertising section of this year's book, I have tried to make the ads as noticeable as possible by using autograph and snapshot pages throughout the section. For you students, I tried to make the autograph pages more personal. I hope you like it.

MAXINE HORNBECK,
Business Manager.

Basic Activities of THE OWL continued:

Proofing of dummy and reproof of every word for the printer. (More labor.)

With the exception of formal class and club pictures, all photography is student work.

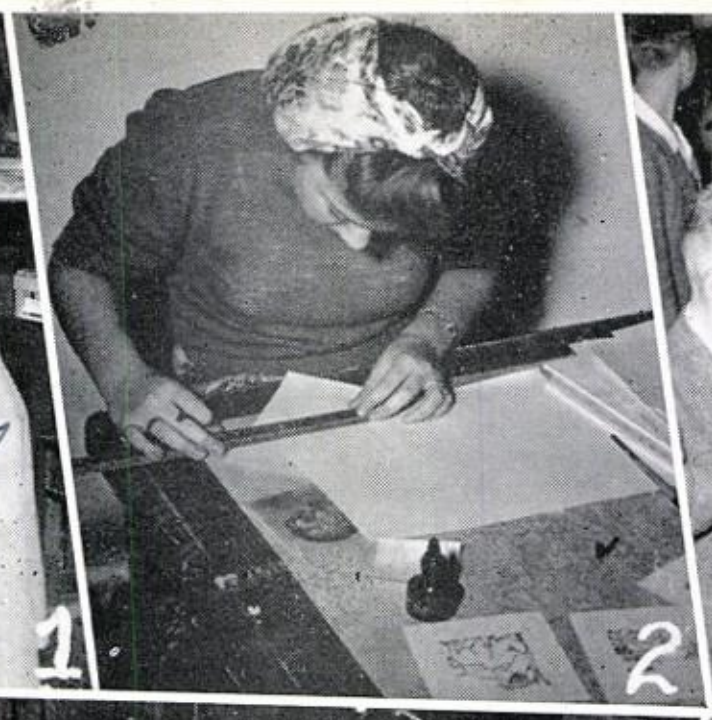
Ninety-one per cent of all students in school bought 1946 yearbooks. Approximately the same per cent included pictures in the class section.

THE 1946 OWL maintained its membership in CSPA, NSPA, and THSPA. (Texas High School Press Association suspended its honors for the duration.) All honors rated by the 1946 yearbook will have to be published in the 1947 book since they are not announced until 1947.

1. The Sophomores elect their favorites.
2. Happy looking bunch, aren't they?
3. The Seniors lost the circulation contest for THE OWL, but we all enjoyed the food.
4. The beginning of a very successful circulation campaign.
5. Maxine and Joy checking in the money from those selling 1946 OWLS.
6. As a result of this meeting we sold a lot of ads.
7. Looking rather bewildered, the Juniors and Seniors sell ads.

YEARBOOK ACTIVITIES

YEARBOOK ACTIVITIES



1. Editor Baxter mounts a panel while Joy and Maxine look on.
2. Artist Fat turns out one of those clever drawings for the Athletic Section.
3. We elect those OWL Sweethearts.
4. Billy, Jane, and Jean, our assistants for The 1946 OWL.
5. The 1945 OWL dedication! We had to use this picture to show you how surprised Miss Sallie was.
6. Trimming proofs requires concentration. This is a good example.
7. We receive those 1945 OWLS. Happy day!

THE FOLLOWING students helped the staff with both circulation and advertising: Narca Hooker, Jane Howell, Betty Walther, Sonny Booth, Norma Henry, Jean Hutchinson, Nita Sue Hassan, Kathryn Ann Lee, Mary Isabel Ludwick, Elaine Piedger, Catherine Palmer, Billy Reddell, Fairy Ritchie, Ruth Secrest, Billie Smalley, Billy Ray Steed, Maxine Tankursley. Both campaigns were very successful, thanks to such willing workers.

THE GENERAL Science Club has the distinction of being the largest club in Paris High School. The club, which is composed mostly of members of the freshman class, meets the second Monday of each month during the class period. One president and five vice-presidents preside over the meetings with a vice-president for each class. Through the able guidance of Miss Hicks, Miss Misso, and Mr. O'Dea the programs, put on by the students themselves, are made to correlate with the course in general science.

MEXICO IS a very colorful country with its music and gay fiestas. There are many gala ceremonies, such as the pinata breaking, the Nativity Christmas Scene, and others that add enjoyment and pleasure to the club meetings.

ORGANIZING EARLY this year, the Drama Workshop's members took time to enjoy themselves at a wiener roast before settling down to work. Wasting no time, however, they presented "Pearls," a one-act play by Totheroh, in the Interscholastic League tournament.

Under the direction of Mrs. Grimes, its hard-working members offered "A Little Honey" as the annual spring production. Climaxing a highly successful season, the club enjoyed a social after the play.

SOMETHING NEW has been added—the boys! The boys can't say the girls are old-fashioned now. They have found that the way to a man's heart is through his own cooking. The foods students enjoy frequent meals that they have prepared. At Christmas time the boys went hunting and killed squirrels, rabbits, etc., for their Christmas dinner.

Each foods class holds a separate meeting during the class periods. The Foods Club carried out a varied program on a better community throughout the year.

SINCE 1930, the Hi-Y has been striving to develop a more worthwhile club. By reading the following lines, you will realize how important it is to have a Hi-Y organization in Paris High School:

The Hi-Y Club has a goal to reach,
Creating fellowship and good will to each.
With meetings every Tuesday night,
Which have only stags in sight.

Two banquets join the social whirl,
And choose a sweetheart from the girls.
Last year a minstrel was received with cheer,
And will be repeated again this year.

Three sponsors advise us man to man,
How to develop our worth-while plan
Of building a better Paris High,
Through the efforts of the Hi-Y.

THE NATIONAL Honor Society is the most exclusive club in Paris High School. Its members must be in the upper fifteen per cent of the senior class in scholarship and must meet the requirements of service, good citizenship, and character to be eligible. These students were initiated into the society in an inspiring service in assembly.

The highest five per cent of the junior class are initiated at the end of the year. These form the society until as seniors the next ten per cent are elected at the end of the first semester. The first ten students pictured below entered the organization as juniors.

BOTH FIRST and second year German classes study fundamental German grammar; however, the first year students translate a collection of short stories, and the second year class reads IMMENSEE, a love story.

The German classes hold their club meetings separately during regular class periods, meeting once or twice a year together for purely social activities. The religion of the Germans, their myths, and their history afford subject matter for regular meetings the second and fourth Mondays of each month.

OUR PRIDE and joy, the Blue Blazes, supported the Wildcat team this year by attending every out-of-town game as well as all the home games. The band performed clever maneuvers at the games when the weather permitted. These performances were under the leadership of the drum major, Elaine Pledger. The band is an inspiration to the student body and a credit to the school.

DURING THE period of World War II, the band was under several different directors, but this year Mr. G. S. Howard filled in very capably until November. He did very fine work in improving the band and presenting it during most of the 1945 football season.

Mr. Floyd Weger, the regular director, returned in November, after an absence of nearly three years, during which time he served in our Armed Forces. Welcome back, Mr. Weger. We are glad you are with us again.

ALTHOUGH THIS is the first year that Paris High School has had a Health Club, it is already one of the most active clubs in the school. The meetings are held once a month, and the programs are made interesting, as well as constructive, through variation.

During the year the club conducted a survey to determine the number of students drinking milk in the cafeteria, and in the spring they strove to improve the posture of the students by distributing posters on good posture throughout the school.

ORGANIZING FOR the first time in four years, the Biology Club was one of our largest and most active clubs. Its purpose is to study the advancement in modern science and to supplement its department with extra equipment.

Under the able leadership of Mrs. Stifelman, the club earned money by the sale of hot dogs and rummage. With this money the members have equipped the biology department with a human skeleton, an aquarium, a terrarium, dissecting sets, and a number of models and charts.

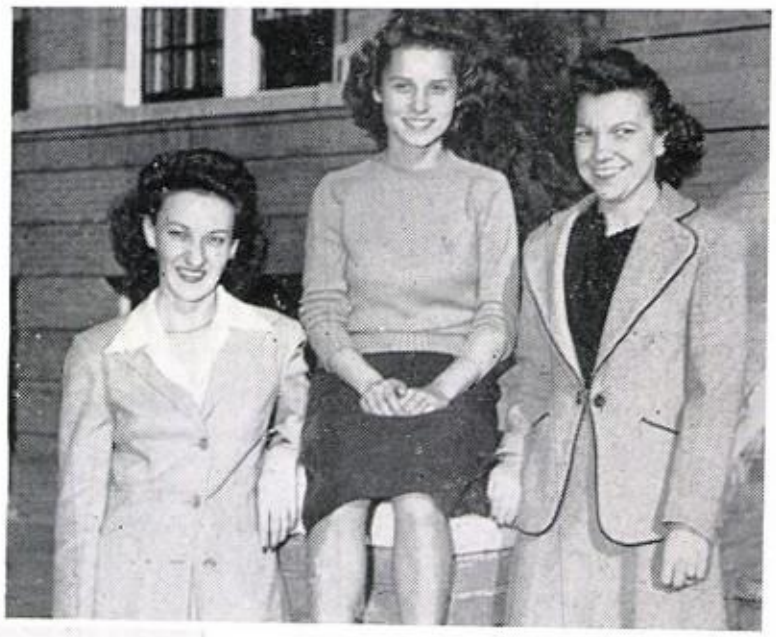
THE TRI-HI-Y was organized in Paris High in 1945 by the departing Senior girls. It is the sister organization to the Hi-Y. At the meetings each program is opened or closed with a devotional, which is in keeping with the aims and ideals of the Tri-Hi-Y.

The programs are arranged so that the club has a guest speaker once a month, a business meeting once a month, and a student program twice a month. On December 21 a formal dinner-dance was given at the Gordon Country Club, and the Tri-Hi-Y Hero was presented. The club entertained with a spring formal in May.

Top Picture: Miss Hicks, Jeannie, and Miss Reeves take time out to sun themselves.



Richard Margraves

Tri-Hi-Y Hero

RICHARD MARGRAVES, better known as "Bubba", received this honor. Bubba played center on the Wildcat football team and is also one of the leading basketball players. Bubba is five feet nine and a half inches tall, has dark brown hair, brown eyes, and a physique that is the envy of every boy. OUR HERO—HUBBA! HUBBA!

HORSES! COWS! Pigs! Chickens! These do seem queer in relation to school, but they play a more important part than you realize. The boys of the F.F.A. plan to attend the Fort Worth Fatstock Show. They also plan to make entries in the Lamar Dairy Show and the Lamar County Baby Beef Show. Their idea is to do their best to win. The F.F.A. has had a good rating in the past, and they plan to improve it more than ever.

The fate of our nation lies in the hands of this generation. The efforts of the Future Farmers of America, alone, could give this country a good start on the road of reconversion.

Mary Howard Boulware

F.F.A. Sweetheart

MARY HOWARD is a newcomer to Paris High. Her pleasing smile and strong desire to do for others will carry her far.

Mary Howard is very fond of horseback riding and all kinds of outdoor activities. With these ideals she well fits the title of F.F.A. Sweetheart.

Senior Science Club Officers

President . Leroy Whitaker Vice-President Jack Ashmore
Sec.-Treas. . . John Amis Sponsor . . Mr. J. H. Ray

THE SENIOR Science Club is composed of members of Mr. Ray's physics, chemistry, and aeronautics classes. Its aim is to co-ordinate science and everyday life.

During the year, the club's numerous activities included the presentation of the Bausch and Lomb medal in the spring, and a meeting held at the Paris Airport at the end of school.

Leroy Whitaker was the winner for the first semester of the eight-hour course in flying given by Mr. Jess D. Faulkner of the Paris Airport for the one having the highest average in aeronautics.

Choral Club Officers

President . Patsy Savage Vice-Pres. . Fred Rives

Secretary . . . Treasurer . . . Don Gray
Mary McEnteggart

Sponsor . . . Mr. Floyd Weger

THE CHORAL Club of Paris High School was very active during the year. Under the able direction of Mr. Floyd Weger and Miss Celia Donaldson, who was the director until Mr. Weger returned from the Army, the club gave many concerts to the public.

One of the highlights of the season was the club's representation at Waco in the all-state chorus. Several out-of-town concerts were planned for the end of the year, including one in Dallas and the district meet at Gladewater. Miss Donaldson served as accompanist for the club during the last semester.

Circle: Choral Club in assembly with Mr. Weger directing.

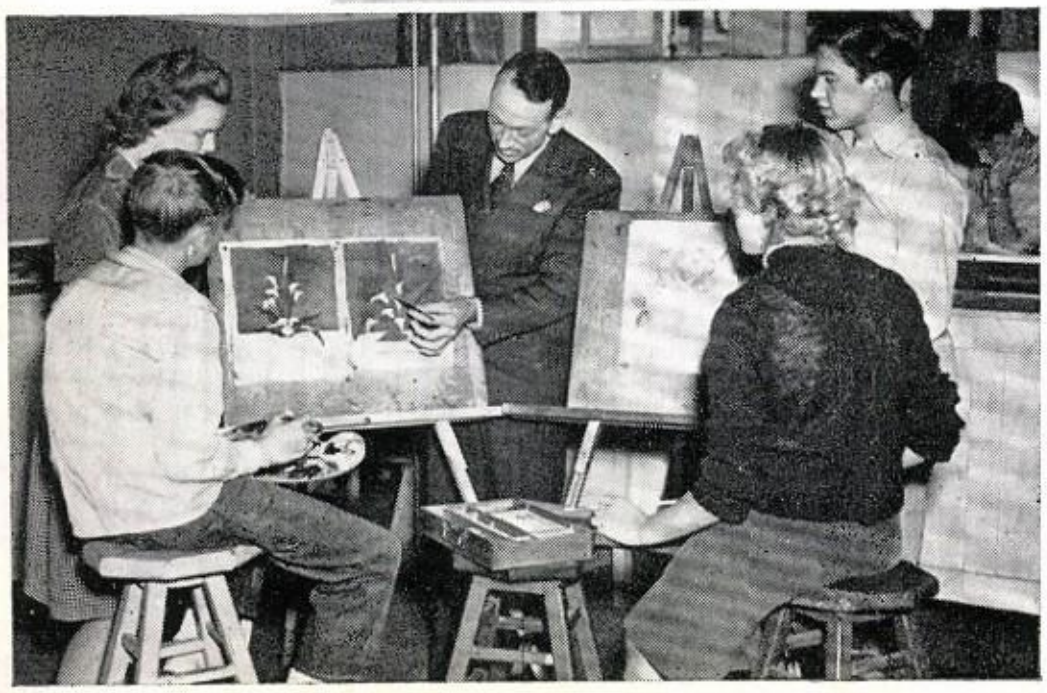
Arts Club Officers

President	Betty Walther
Vice-President	Betty Sulsar
Secretary	Narca Hooker
Treasurer	Mae Louise Whitlock
Reporter	Conrad Morgan
Sponsor	Mrs. J. F. Stanley



THE ARTS Club tries to promote interest in the development of crafts and to encourage those who have creative ability with brush and pencil. Their year's work has been one of unusual interest, stressing the preservation and restoration of our old landmarks throughout the city.

For fun and play, they had two rummage sales, attended four concerts at Denton, visited an art exhibit in Dallas, and held two art exhibits of their own. They enjoyed an annual banquet at the close of a successful year.

You know there isn't any use for me to start telling you how wonderful you are. We have had lots of fun together and when I think back over all our troubles etc. I remember how we stuck through it together. Lou it seems as though, when I am in any trouble or anything I can always count on you to help me out and believe I can get in some of the darn "ist" trouble (but I don't think I'm by myself. do you.)

Dear Lou,

Well, here is another "One", another year. Just think, we are almost Juniors, golly! Two years with a bunch of real guys, and you one of the sweetest. We have been through a lot together and will probably go through a lot more and prolly worse things in the future. But as long as we are together, I think we can make it. You are right. You have always been there and I really appreciate all you have done for me. I hope we can be "running around" together for another year. I hope we can always be good friends and all always. Please say we won't lose track of each other, but hope we can see them from time to time. Lots of love, I want to kiss a sweet girl. I hope we will always be really good friends. Love Deanna

Are Preserved in a Picture from Turner's

Dear Ray,
I have enjoyed having such a "sweet" little girl. I will miss your friendly whistle when I am but I won't forget it. Dick and I are for one girl to have so many suitors. But you don't phase us. Remember the swell time we had at Bibi's party. Hope you will get through high school some day which is a slim chance.

Love Peg

P.S. Tell your mother not to run off so soon if I come to see you this winter from the east.

Dear Law,

Although we haven't known each other for very long it seems as though we've always been friends doesn't it? I'll never forget that trip to Dallas and when we roomed together that was really where I got to know you. We had loads of fun even though you did loose your purse with Jack M's picture and your money.

I think you are one of the few girls that is always understanding and by your friendliness and your ability to talk and get along with everyone I know you will go far.

(NOTA BENE: This page is reserved for the autographs of the 1946 Honor Graduates. These are announced too late to include in the yearbook, but a separate sheet of paper containing this information will be found in your book. An honor student is a graduate with an average of 90 or above.)

Here's wishing you lots and lots of luck and happiness.

Always,

Billy

"I Can't Begin To Tell You"

Sincerely,
Charlie England
